

## WESLEY UMC INTERESTS AND NEEDS

Each one of us has special God-given talents which we can use to make disciples and meet the needs of people in our church, our community and our world. If you are unable to be physically active, please consider doing ministry with phone calls. We have people who don't have internet, so are excluded from our e-mail blasts which includes prayer requests.

Below you will find a list of areas of service/participation or areas in which you may need help. Please review and check any/all areas in which you have an interest or a need. We are glad you are a part of the Wesley family and we look forward to serving together in Christ.
